My dear Father Ryan:-

I received your telegram informing me that you would write to the Catholic societies in Ohio in regard to the Minimum Wage Bill. Please accept my heartiest thanks for this assistance and encouragement.

May I be so bold as to ask you to send on to me the names and addresses of Catholic societies in Ohio? Whatever expense is connected with copying them from the lists of the N. C. W. C. we shall be very glad to pay.

The reason I am asking this favor of you is this: Opposition to the Minimum Wage Bills is growing. It will be necessary for us to be able to get into immediate touch with all of those who sympathize with us.

I dare say that you will watch developments in Ohio with a great deal of interest in as much as we are pioneers in concerted "Catholic social action".

Thanking you again for your kindness, I am

Yours very respectfully,

Clara M. Pressler
