December 6, 1918.

The Reverend John O'Grady,
932 Fourteenth Street, N.W.,
Washington, D.C.

Dear Father O'Grady:--

I hope to be in Washington Monday if possible, and
surely Tuesday.

We are to prepare a progressive report for
Tuesday's Meeting showing in detail what we can do in a month, what we
can do in two months. I will endeavor to bring some very specific
program with me, but in the meantime, will you kindly bend some of
your thought and energy to making a specific detailed plan that we can
present at the meeting and further send to the four Bishops of the
Administrative Committee.

I am Looking forward with pleasure to seeing you.

Very sincerely yours,
